

Bypass Cap

VDD

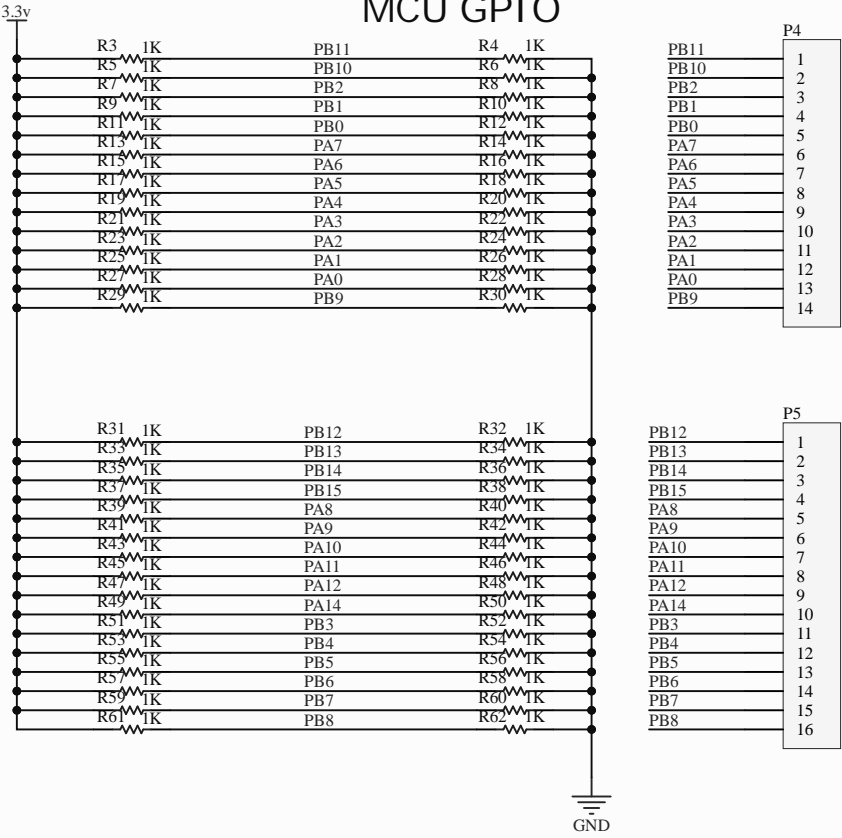

This section is only for VDD

VDDA

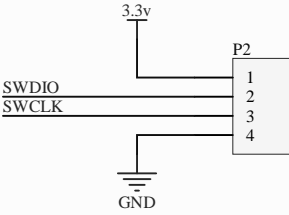

This section is only for VDDA

MCU GPIO

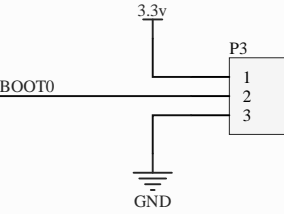

MCU Programming

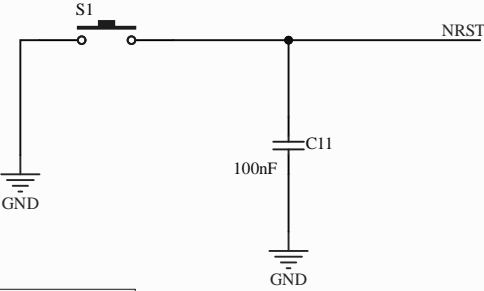

This section is only for MCU Programming

MCU Boot option

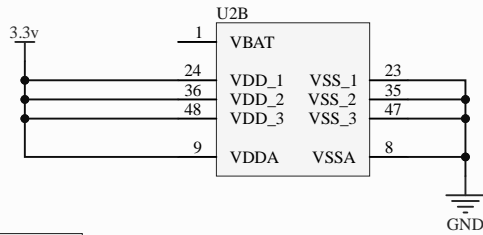

This section is only for MCU Boot

MCU Reset

This section is only for MCU Reset

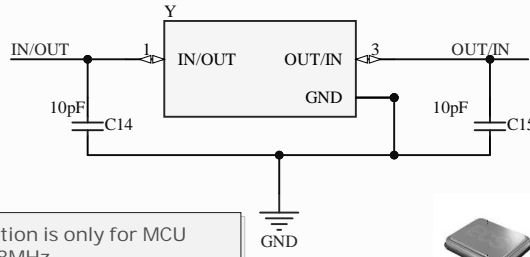

MCU Power Section

This section is only for MCU Power Section

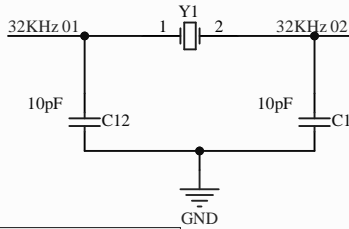

MCU Crystals

8MHz

This section is only for MCU Crystal 8MHz

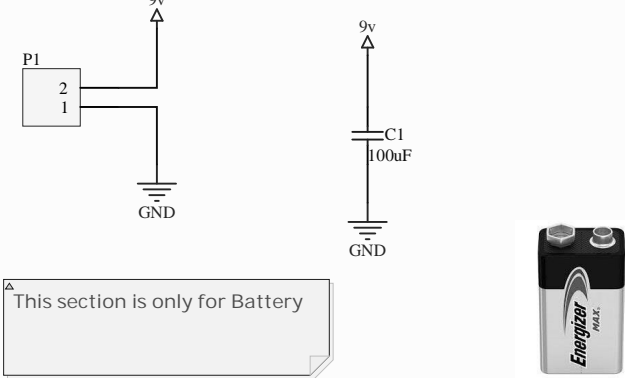

32KHz

This section is only for MCU Crystal 32KHz
